Agreement; Grammatical construction

The plural subject of the sentence, themes, requires the plural verb are in place of is. Because the themes of Dove's poetry encompass the human condition and deal with racial issues, there is no need to make this a compound sentence by introducing a new grammatical subject, she, in a final clause. A single subject with two parallel verbs is the clearest and most efficient form for this sentence.

206. Iguanas have been an important food source in Latin America since prehistoric times, and it is still prized as a game animal by the campesinos, who typically cook the meat in a heavily spiced stew.

Page 304, #240 Answer Explanation:

- A Correct. Its agrees with retailer, the past perfect had been indicates action prior to the simple past said; and recent modifies extended sales slump.
- B The adverb recently modifies only the adjective extended, suggesting illogically that the sales slump has been recently extended.
- C Is shows present, rather than completed, action, and the adverb recently modifies only the adjective extended, distorting meaning.
- D Their does not agree with retailer, and is shows present, rather than completed, action.
- E The plural their does not agree with the singular retailer.
