Jacaranda Maths Quest Senior for Queensland

Designed to help teachers unpack the new curriculum and help students at the point of learning, so that **every student** can experience success in the classroom, at home and thus ultimately in the **exam**.

YEAR 11 TITLES COMING IN 2018

YEAR 12 TITLES COMING IN 2019

What problems are we helping to solve?

We listened, we heard what teachers wanted:

- A resource that addresses and unpacks the new curriculum.
- To help prepare maths students for external exams for the first time.
- Students to be able to get help where they need it, whether it be at home or in the classroom – help at the point of learning is critical.
- Students to experience success and build confidence, while allowing those who want to be challenged to proceed to more difficult concepts and questions.

How are we addressing these needs?

New Curriculum

Our authors and teachers have been living and breathing the curriculum changes to deliver an easy to follow text, supported by a bank of materials.

Fully Worked Solutions

Includes free access to Fully Worked Solutions for every question to help students get unstuck.

Exam Success

For selected titles, studyON, our online exam, study, revision and practise tool, is included **for FREE!**

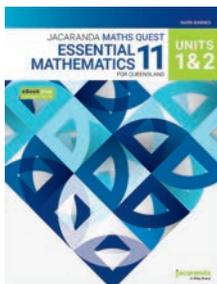

Accessible

Questions and topics are organised from lower to higher levels of complexity, allowing every student to achieve success.

Jacaranda Senior Geography for Queensland

This series provides a skills-rich, inquiry-based approach to engage students of all abilities, and is the only resource on the market written for the new Queensland Senior Geography Syllabus.

What problems are we helping to solve?

We listened, we heard what teachers wanted:

- A resource which addresses and unpacks the new Syllabus
- To build students' confidence responding to unseen data and demonstrating their understanding of geographical concepts
- New local, regional and global case studies and data – currency is important.

How are we addressing these needs?

New Syllabus

Our passionate team of experienced geography teachers have been living and breathing the curriculum changes to deliver an easy to follow format that ties closely to the Syllabus structure.

Current

Updated with new data and case studies – local, regional and global.

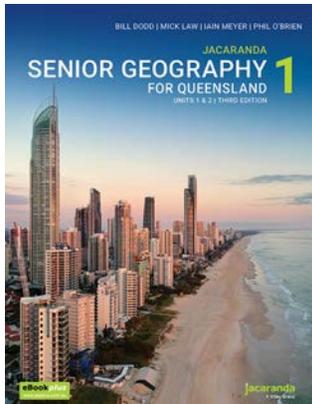

Exam success

In each topic there are two exam-style tests, so students can practise exam skills with unseen stimulus sheets.
