Mar 2017

This case study of Singapore illuminates what it means to engage in systemic, long term and ongoing, consistent, and deliberative reform of schools and schooling, in the midst of nation building and post-colonial independence, with a particular focus on quality teachers as the key to educational excellence.

*Empowered Educators in Singapore* is part of a series, with a main volume by Linda Darling-Hammond and Dion Burns *Empowered Educators: How High-Performing Systems Shape Teaching Quality Around the World* (ISBN: 978-1-119-36960-8).
