

## Institutional Access Instructions for HEPATOLOGY and Liver Transplantation Journal Apps

### Linking your institutional AASLD Journal subscriptions to your app.

Here are the instructions for app access to the full journal contents that your library or institution has purchased. You **must** be located within your institution's network when you download the app the first time in order to access your institution's licensed journal content on the app.

1. Download your journal app from the Apple App Store. Launch the app from the 'Newsstand' on your device.

2. When the app opens, Click 'I already have access' from the overlay.

3. Select 'I use the network at my workplace or university.'

4. The first time you use the app:

Choose **A**: Click 'Log-In' if you already have a Wiley Online Library Account, then go to step 7.

Choose **B**: Click 'Register' if you do not yet have a Wiley Online Library Account. Continue to steps 5-6.

**5. Enter your details, which will be used to create your access to Wiley content. Click 'submit.'**

**6. You will receive an email at the email address you just registered. Cut and paste the link into your Safari web browser to activate your account. Note: if you use an Apple mail client, you may simply tap the link within the email to open the app and start accessing content.**

**7. Within the app, enter your Wiley Online Library username and password. Click 'submit.'** Note: the first time you access the app, it may take up to 10 minutes to load content.

Connect to your institution's network every 3 months for uninterrupted content access.

**8. If your institutional access stops, click on the Information Button. You can refresh your access, as well as check the expiration date of your access.**

## For Assistance

---

If at first you don't see the overlay instructions described and shown in the instructions above, tap "Settings" (Gear Icon), then tap "Get Access."

You will then be presented with the onscreen instructions outlined above.
