Discover a wealth of content written by world-renowned scholars, researchers and award-winning authors within the Humanities.

Wiley is one of the world's leading international publishers of books and journals, and we are proud of our distinguished history of publishing for this community. Our Online Books collection comprises work that will enhance teaching and research, and provides students with a vast range of reliable, authoritative content – all available to access within your library’s digital resources.

Our Online Books collection combines the strengths of our internationally-renowned reference, scholarly, and professional books published across the Humanities, with the convenience, accessibility, and enhanced functionality of digital access. Members of your institution are able to browse, search, download, read, keep, recommend, and share these books in PDF format with no concurrency limitations or time restrictions.

**AUTHORITATIVE:**
featuring world-renowned authors from Ludwig Wittgenstein, to A. C. Grayling, Alister McGrath, Stanley Hauerwas, Catherine Belsey, Eric Ives, P. M. S. Hacker, Richard Gray, and Terry Eagleton, to name but a few.

**INCLUSIVE:**
used by scholars and faculty for their own research, but also by lecturers and their students looking for citable, informative, and trustworthy content.

**INTERDISCIPLINARY:**
spans Art History & Theory, Classics & Ancient History, Cultural & Film Studies, History, Linguistics, Literature, Philosophy, and Religion & Theology.

Including over 1,000 titles with no DRM restrictions, this collection offers a reliable and high-impact route to expand or enhance your digital resources in the Humanities.
