

Midwifery Skills at a Glance

Patricia Lindsay (Editor), Carmel Bagness (Editor), Ian Peate (Editor)

E-Book	ISBN: 978-1-119-23512-5	February 2018	€31.99
Paperback	ISBN: 978-1-119-23391-6	March 2018	€35.10

DESCRIPTION

Being an effective midwife requires a range of knowledge and skills, all of which are essential to provide competent and safe care to childbearing women and their infants. *Midwifery Skills at a Glance* offers an invaluable, straightforward guide for students and practitioners – offering readable, easily digestible information, supported with illustrations throughout to enhance application to practice.

Clear and concise throughout, *Midwifery Skills at a Glance* covers a wide range of skills – exploring issues such as infection control, personal hygiene care, and safeguarding; assessment, examination and screening skills; how to care for the woman and neonate with complex needs; drug administration and pain relief.

- A comprehensive, highly visual guide to the skills essential for safe, effective, and compassionate midwifery practice
- Written by experts in their field
- Briefly describes each skill and provides clear illustrations — making it an ideal companion in clinical practice
- Offers instruction on the safe use of a wide range of essential skills required to deliver safe, evidence-based maternity care
- Includes service user viewpoints and key points to help consolidate learning and reflect on the experience of receiving care

Written with the student midwife in mind, *Midwifery Skills at a Glance* is equally invaluable for all others providing care, including Maternity Support Workers, mentors, registered midwives and medical students.
