A PROJECT MANAGER’S BOOK OF TEMPLATES

A helpful compendium of ready-made templates for managing every project in alignment with the latest PMBOK® Guide, 7th ed.

Project Management is a growing discipline that has seen considerable recent development. Project managers are now expected to deploy predictive and adaptive methods, and to draw upon a considerable base of knowledge in developing and formalizing project plans. The Project Management Institute (PMI) publishes the authoritative Project Management Body of Knowledge (PMBOK® Guide), which contains the global standard for the Project Management profession.

A Project Manager’s Book of Templates is a vital companion to the PMBOK® Guide, providing a comprehensive set of templates and reports that helps project managers translate the content of the Guide into practical applications. It promises to be an indispensable resource for professionals in this fast-moving field.

A Project Manager’s Book of Templates readers will also find:

• Templates covering all types of work, such as starting, planning, project documents, logs and registers, and reports and audits.

• Templates representing all updated features of the PMBOK® Guide, including hybrid, adaptive and iterative practices, including Agile

• Easy, readable structure that moves project managers through the different types of work that is performed in project
A Project Manager’s Book of Templates is an essential companion for those preparing for the PMP Certification Exam, as well as practitioners and consultants to a range of global industries.
