Elsa De Morais Sarmento (Editor), R. Paul Herman (Editor)

Hardcover 978-1-119-69064-1 April 2021 £37.99

DESCRIPTION

Discover how to invest your capital to achieve a powerful, lasting impact on the world.

This Handbook is a how-to guide for institutional investors, including family offices, foundations, endowments, governments, and international organizations, as well as academics, students, and everyday investors globally. The Handbook’s wide-ranging contributions from around the world make a powerful case for positive impact and profit to fund substantive, lasting solutions that solve critical problems across the world.

Edited by two experienced and distinguished professionals in the sustainable investing arena and authored by two dozen renowned experts from finance, academia, and multilateral organizations from around the world, the Global Handbook of Impact Investing educates, inspires, and spurs action towards more responsible investing across all asset classes, resulting in smarter capital markets, including how to:

- Realize positive impact and profit
- Integrate impact into investment decision-making and portfolio
Allocate impactful investments across all asset classes

Apply unique Impact Investing frameworks

Measure, evaluate and report on impact

Learn from case examples around the globe

Pursue Best Practices in Impact Investing and impact reporting

While other resources may take a local or limited approach to the subject, this Handbook gathers global knowledge and results from public and private institutions spanning five continents. The authors also make a powerful case for the ability of Impact Investing to lead to substantive and lasting change that addresses critical problems across the world.

ABOUT THE AUTHOR
