DESCRIPTION

An invaluable practice resource for practitioners engaged in addictions treatment

In The Addiction Progress Notes Planner, Sixth Edition, a team of distinguished mental health professionals delivers complete, pre-written session and patient presentation descriptions for every behavioral problem in the Addictions Treatment Planner, Sixth Edition. Each note can be simply and quickly adapted to fit a real-world client need or treatment situation while remaining completely unified with the client’s treatment plan.

This new edition offers new and revised evidence-based objectives and interventions organized around 46 behavior-based presentations, including alcoholism, nicotine dependence, substance abuse, problem gambling, eating disorders, and sexual addictions. The resource also offers:

- A wide array of treatment approaches that correspond to the behavioral problems and DSM-V diagnostic categories included in the Addiction Treatment Planner, Sixth Edition
- Sample progress notes conforming to the requirements of most third-party payors and accrediting agencies, including CARF, TJC, COA, and the NCQA
- Brand-new chapters on Opioid Use Disorder, Panic/Agoraphobia, and Vocational Stress
The Addiction Progress Notes Planner is an indispensable practice aid for addictions counselors, mental health counselors, social workers, psychologists, psychiatrists, and anyone else treating clients suffering from addictions.
