Mary Alice Conroy, Daniel C. Murrie

DESCRIPTION

Forensic Assessment of Violence Risk: A Guide for Risk Assessment and Risk Management provides both a summary of research to date and an integrated model for mental health professionals conducting risk assessments, one of the most high-stakes evaluations forensic mental health professionals perform.

ABOUT THE AUTHOR

Mary Alice Conroy, PhD, ABPP, directs the Psychological Services Center at Sam Houston State University. She is the President of the American Academy of Forensic Psychology. During a twenty-year career with the U.S. Bureau of Prisons, she conducted over 1,200 risk assessments, including risk management planning. She conducts numerous national and training workshops on forensic assessment for lawyers, judges, correctional personnel, and mental health professionals.

Daniel C. Murrie, PhD, is an Associate Professor of Psychology at Sam Houston State University. He has authored numerous studies related to forensic psychological assessment and maintains a private practice of forensic psychological evaluation, specializing in risk assessment.
