DESCRIPTION

*Practicing Leadership Principles and Applications 4th Edition* is unique and insightful in its perspective—it examines traditional and contemporary approaches to leadership through a multidisciplinary, integrated, and international lens.

Authors Arthur Shriberg and David Shriberg encourage students to develop their own leadership styles by building on their personal strengths and talents, while exploring the different approaches to leadership. With its commitment to ethical and cultural considerations, the *Practicing Leadership 4th Edition* delves different aspects and applications of leadership from managerial and psychological to military and virtual. It is through this breadth of study that students come to see, embrace, and harness their leadership potential.
