Brain-Based Therapy with Adults: Evidence-Based Treatment for Everyday Practice

John B. Arden, Lloyd Linford

DESCRIPTION

Brain-Based Therapy with Adults: Evidence-Based Treatment for Everyday Practice provides a straightforward, integrated approach that looks at what we currently know about the brain and how it impacts and informs treatment interventions. Authors John Arden and Lloyd Linford, experts in neuroscience and evidence-based practice, reveal how this new kind of therapy takes into account the uniqueness of each client. Presentation of detailed background and evidence-based interventions for common adult disorders such as anxiety and depression offers you expert advice you can put into practice immediately.

ABOUT THE AUTHOR

John B. Arden, PhD, is the Director of Training for the Kaiser Permanente Medical Centers for the Northern California Region. In his capacity, he oversees the internships and postdoctoral psychology residencies in twenty-two medical centers. He is the author of nine other books.

Lloyd Linford, PhD, serves as Chairman of Psychiatry and Chemical Dependency Best Practices for Kaiser Permanente's Northern California healthcare system, is a clinical psychologist at Kaiser Permanente Oakland Medical Center, and is in private practice in Oakland, California.
