DESCRIPTION

A flexible, ready-to-use activities program to help special students in grades 6-12

The updated new edition of this valuable resource offers an exciting collection of 200 ready-to-use worksheets to help adolescents build the social skills they need to interact effectively with others and learn how to apply these skills to various real-life settings, situations, and problems. The book provides 20 complete teaching units focusing on 20 basic social skills, such as being a good listener, "reading" other people, and using common sense.

ABOUT THE AUTHOR

The Author

DARLENE MANNIX, M.A., has taught both general education and special education, and she has worked with students ranging from learning disabled and mentally challenged to language disordered and severely emotionally disturbed. Mannix is the best-selling author of numerous books for special educators including Social Skills Activities for Special Children and Life Skills Activities for Special Children.
