O-Book	ISBN: 978-0-470-34464-4	January 2008	<b>Available on Wiley Online Library</b>

## DESCRIPTION

The phenomenal growth of public interest in alternatives to Western treatments for human disease has spilled over into veterinary medicine. Many holistic veterinarians and pet owners are now interested in using alternative remedies to solve health problems with their pets. *Psychoactive Herbs in Veterinary Behavior Medicine* is the first text on psychoactive herbal remedies for the treatment of behavior problems in small animals.

*Psychoactive Herbs in Veterinary Behavior Medicine* is an important guide for board-certified veterinary behaviorists, as well as veterinarians and veterinary students with a particular interest in behavior medicine. In addition, pet owners interested in alternative medicine for their misbehaving pets can use this well-rounded work to make informed decisions on the use of over-the-counter remedies.

## ABOUT THE AUTHOR

**Stefanie Schwartz**, DVM, MSc, Diplomate, American College of Veterinary Behaviorists, is Director of Behavior Services, VCA South Shore Animal Hospital, South Weymouth, Massachusetts, and Clinical Assistant Professor, Department of Clinical Sciences, Tufts University, North Grafton, Massachusetts. She is also national consultant to Antech Diagnostic Laboratories.
