DESCRIPTION

This book is designed to fill the need for a contemporary handbook for the practice of renal and pancreatic transplantation that is focussed on a European rather than North American approach. There are significant differences in transplant practice internationally and there is a need for a practical guide to application of the current evidence base.

ABOUT THE AUTHOR

Iain A. M. MacPhee, Division of Clinical Sciences: Renal Medicine, St. George's, University of London; Department of Renal Medicine and Transplantation, St George's Hospital, London, UK.

Jiri Fronik, Transplant Surgery Department, Institute for Clinical and Experimental Medicine, Prague, Czech Republic; 2nd Medical Faculty, Charles University, Prague, Czech Republic.
