DESCRIPTION

Featuring extensive revisions and updates, the Second Edition of *The Sociology of Gender: An Introduction to Theory and Research* presents an introductory overview of gender theory and research, and continues to offer a unique and compelling approach to one of the most important topics in the field of sociology.

- Features extensive revisions and updates, and incorporates recent cross-national research on gender
- Expands and develops frameworks introduced in first edition
- Treats gender as a multilevel system operating at the individual, interactional, and institutional levels
- Stresses conceptual and theoretical issues in the sociology of gender

Offers an accessible yet intellectually sophisticated approach to current gender theory and research

- Includes pedagogical features designed to encourage critical thinking and debate

ABOUT THE AUTHOR
