DESCRIPTION

*Writing for Publication in Nursing and Healthcare* is an invaluable guide to ‘getting it right’, focusing on all aspects of writing for publication. It will help the reader to develop skills in writing articles, book reviews and other forms of publications, and can also be used as an aide-mémoire for editors and journal or book reviewers. It explores:

- How to get started
- How to write various forms of publication including abstracts, papers, book reviews, journal articles and books
- Good practice in reviewing
- The editorial process
- Ethical and legal aspects of publishing

Offering guidance, tips, examples and activities, this practical how-to book written by experts in the field is essential reading for all nurses and healthcare professionals.
ABOUT THE AUTHOR
