### DESCRIPTION

Allan Tasman, Professor of Psychiatry and Behavioral Sciences, University of Louisville School of Medicine, has teamed up with Wanda Mohr, Professor, Psychiatric Mental Health Nursing, University of Medicine and Dentistry of New Jersey, to produce a user-friendly textbook for Psychiatry Residents.

Drawing on material from the acclaimed *Psychiatry 3e*, this book features high quality material, selected on a need-to-know basis, with an emphasis on uniformity, evenness, and accessibility, all within a multi-disciplinary framework.

- Highly suitable for course development and as augmented reading assignments
- Accessible to readers from junior to senior Residents; a good primer on which to focus initially, with pointers to further reading
- Informed by an integrative perspective and a multi-disciplinary approach
- Features sound clinical advice throughout, illustrated with case vignettes
- The sort of book a trainee can dip into easily to access clear knowledge, when one needs relevant information quickly

### ABOUT THE AUTHOR

**Allan Tasman** is Past President of the American Psychiatric Association and immediate Past-President of the Pacific Rim College of Psychiatrists. He is a world-renowned psychiatric leader and educator and is Secretary for Education of the World Psychiatric
Association, responsible for all of the association’s worldwide education programmes and initiatives. He has great experience in writing textbooks, numerous journal articles, book chapters, reports, and articles for the popular press.

Wanda K. Mohr is a certified clinical nurse specialist in child/adolescent psychiatric nursing, and a Fellow in the American Academy of Nursing. She holds a masters degree in behavioral sciences and a PhD in psychiatric nursing. She has almost 40 years of practice and teaching psychiatric nursing. In addition to the breadth and depth of clinical and academic expertise, she is a professor in a major University School of Nursing and an adjunct clinical associate professor of child psychiatry at the Robert Wood Johnson Medical School.
