### DESCRIPTION

Presupposing no prior knowledge of linguistics, *The Handbook of Linguistics* is the ideal resource for people who want to learn about the subject and its subdisciplines.

### ABOUT THE AUTHOR

**Mark Aronoff** is Professor of Linguistics and Associate Provost at the State University of New York at Stony Brook. He is the author of several books and numerous technical articles on linguistic morphology. Since 1995, he has served as Editor of *Language*, the journal of the Linguistic Society of America.

**Janie Rees-Miller** is Chair of the Modern Languages Department and Director of the English as a Second Language Program at Marietta College, Ohio. She has taught English as a second or foreign language for twenty years in the Middle East, England, and the United States. Her research interests include applied linguistics, second language acquisition and pedagogy, and language contact between Native American languages and English.
