The Risk Management Process: Business Strategy and Tactics
Christopher L. Culp

Hardcover 978-0-471-40554-2 April 2001 $125.00

DESCRIPTION

Integrates essential risk management practices with practical corporate business strategies

Focusing on educating readers on how to integrate risk management with corporate business strategy—not just on hedging practices—The Risk Management Process is the first financial risk management book that combines a detailed, big picture discussion of firm-wide risk management with a comprehensive discussion of derivatives-based hedging strategies and tactics.

An essential component of any corporate business strategy today, risk management has become a mainstream business process at the highest level of the world's largest financial institutions, corporations, and investment management groups. Addressing the need for a well-balanced book on the subject, respected leader and teacher on the subject Christopher Culp has produced a well-balanced, comprehensive reference text for a broad audience of financial institutions and agents, nonfinancial corporations, and institutional investors.

ABOUT THE AUTHOR

CHRISTOPHER L. CULP is Managing Director at CP Risk Management LLC in Chicago and is also Adjunct Associate Professor of Finance at the University of Chicago.
