DESCRIPTION

Forensic Psychology: Emerging Topics and Expanding Roles is designed to present the current state of the field, in terms of law, ethics, research and practice. Reflecting the efforts of almost 50 expert contributors, this comprehensive reference provides a basis for conducting forensic mental health assessments consistent with the state of the field as it currently exists and the standard of care that is emerging.

This must-have resource contains coverage of:

- Mainstream topics such as civil commitment, termination of parental rights, and federal sentencing evaluations
- Psycho-legal topics such as clergy and teacher sexual abuse, elder abuse, and end of life issues
- The appropriate application of instruments frequently used in clinical psychology to address psycho-legal issues

Ideal for forensic mental health professionals, civil and criminal attorneys, and advanced students, Forensic Psychology: Emerging Topics and Expanding Roles is the definitive comprehensive reference in the field.

"Alan Goldstein has his finger on the pulse of forensic psychology. He and his A-list contributors showcase a striking array of classic conundrums and budding courtroom controversies. Remarkably, their analysis is as deep as their coverage is broad. There are two or three works that simply have to be on the shelf of every forensic psychologist. This book is one of them."
ABOUT THE AUTHOR

Dr. Alan Goldstein is Professor of Psychology at John Jay College of Criminal Justice - CUNY and is a widely recognized expert and speaker on forensic issues. He is a Diplomate in Forensic Psychologist of the American Board of Professional Psychology and a Fellow of the American Academy of Forensic Psychology. He serves as an expert witness for defense and prosecuting attorneys on the state and federal levels, where his work includes evaluations for validity of *Miranda* rights waivers, trial competence, criminal sentencing, issues related to criminal responsibility, death penalty litigation, and future risk of violence. He is also a consultant to a number of law enforcement agencies.
