DESCRIPTION

*Educational Psychology First Edition* will help students meet the challenges of today's classrooms. Future teachers want practical suggestions for why and how to use theory in the classroom. To support their preparation, this textbook emphasizes three challenges in teacher education: understanding and addressing the needs of the diversity of learners in the classroom, applying theories and research to the classroom, and critically examining teaching practices through reflection, problem-solving, and critical thinking.

ABOUT THE AUTHOR

Roxana Moreno is the author of *Educational Psychology*, published by Wiley.
