DESCRIPTION

This is the first and only book to provide an introduction to the fundamental theoretical issues of phrase structure in the Principles & Parameters approach to syntax. It provides both in depth analyses of basic phrase structure concepts and detailed examinations of different theoretical positions from within the Principles & Parameters tradition.

ABOUT THE AUTHOR

Robert A. Chametzky is Assistant Dean in the College of Arts & Sciences at Cornell University. He is author of A Theory of Phrase Markers and the Extended Base (1996).

FEATURES

* This is the only book of its kind in that it introduces and discusses the basic concepts of phrase structure within the Principles & Parameters theory.
* It provides in depth analyses of basic phrase structure.
* Includes concepts and detailed examinations of different theoretical positions.
