DESCRIPTION

The Blackwell Guide to the Philosophy of the Social Sciences collects newly commissioned essays that examine fundamental issues in the social sciences.

ABOUT THE AUTHOR

Stephen P. Turner is Graduate Research Professor and Chair of the Department of Philosophy at the University of South Florida. He is the author of many books including Sociological Explanation as Translation (1980). He is also editor of the Cambridge Companion to Max Weber (2000).

Paul A. Roth is Professor of Philosophy at the University of Missouri-St. Louis. He is the author of Meaning and Method in the Social Sciences (1987). He co-founded and co-organizes the annual St. Louis Roundtable in the Philosophy of Social Science and is a member of the editorial board of Philosophy of the Social Sciences.

FEATURES

•
• Breaks new ground by including key new areas of inquiry in the social sciences: cognitive science, feminist philosophy, evolutionary accounts of social life, rational choice theory, and causal modeling.

• Presents a state-of-the-art guide to the hottest philosophical issues in the social sciences.

• Written by an international assembly of contributors.
