Cognitive Neuroscience: A Reader
Michael S. Gazzaniga (Editor)

DESCRIPTION

Cognitive Neuroscience: A Reader provides the first definitive collection of readings in this burgeoning area of study.

ABOUT THE AUTHOR

Michael S. Gazzaniga founded and presides over the Cognitive Neuroscience Institute and is currently the David T. McGalughlin Distinguished Professor at Dartmouth College. He has written and edited many books in the field of Cognitive Neuroscience, his research focussing on split-brain patients.

FEATURES

• The first definitive collection of readings in cognitive neuroscience

• Edited by one of the leading researchers in the field

• Introductions and contextualisations provide a context for each section's papers.
