The Blackwell Companion to Organizations
Joel A. C. Baum (Editor)

Hardcover  ISBN: 978-0-631-21694-0  March 2002  $227.00

DESCRIPTION

Drawing on the research of more than 50 influential international scholars, this extensive interdisciplinary survey consolidates and evaluates what is known and not known about organizations, and critically examines how we learn about and study them.

- Contributors include 50 influential international scholars.
- Contributions represent the most important contemporary perspectives on organizations, including networks, ecology and technology.
- Each topic is covered at three levels of organization: intraorganizational, organizational, and interorganizational.
- Chapters structured around five common elements for ease of use.
