DESCRIPTION

Written by a renowned scholar of critical race theory, *The Threat of Race* explores how the concept of race has been historically produced and how it continues to be articulated, if often denied, in today’s world.

• A major new study of race and racism by a renowned scholar of critical race theory

• Explores how the concept of race has been historically produced and how it continues to be articulated - if often denied - in today’s world

• Argues that it is the neoliberal society that fuels new forms of racism

• Surveys race dynamics throughout various regions of the world - from Western and Northern Europe, South Africa and Latin America, and from Israel and Palestine to the United States
