The Royal Marsden Hospital Handbook of Wound Management In Cancer Care
Wayne Naylor, Diane Laverty, Jane Mallett

**DESCRIPTION**

*The Royal Marsden Hospital Handbook of Wound Management in Cancer Care* offers evidence-based guidance on wound management in a practical and easily accessible format. An introduction to wound healing and assessment is followed by the management of specific wound types and a detailed chapter on wound management products. This book is unique in bringing together invaluable specialist advice, expert opinion and research on the management of wounds related to cancer and cancer therapies.

It will be an essential reference for nurses and health care professionals working in the fields of oncology and palliative care, in both community and hospital settings.

The Royal Marsden Hospital is the largest comprehensive cancer center in Europe and is one of the world's foremost hospitals dedicated to the care of people with cancer. For further information about career opportunities please call The Royal Marsden toll-free 0800 389 2271.
