DESCRIPTION

Are personal relationships deeper and more intimate than ever before or are they increasingly empty and structured by selfish individualism? This exciting new book examines the question in a wide-ranging discussion of the nature of intimacy, focusing on key relationships between parents and children, families, sexual partners, couples and friends.

ABOUT THE AUTHOR

Lynn Jamieson is Senior Lecturer in Sociology at the University of Edinburgh.

FEATURES

* This is the first book to bring together in a systematic way a range of theories and research material in an important and growing area of study.

* The book is very international, drawing on work from Europe, North America, Australia and New Zealand.
* All the key relationships in personal life - family, parent-child, kinship, friendship, sexual and couple relationships - are accessibly discussed within one book.
