DESCRIPTION

Prostitution is still the subject of intense controversy among feminists but theoretical and political analyses are often only loosely grounded in empirical research. This book offers new perspectives on prostitution based on wide-ranging research in nine countries and extensive work with prostitute users.

ABOUT THE AUTHOR

Julia O'Connell Davidson is a Reader in Sociology at the University of Nottingham.

FEATURES

* An exciting contribution to this topical debate that combines extensive empirical research with a theoretical framework.

* Examines prostitution around the world, including sex tourism, and the power relations that affect the ways it is organised.

* Written in a lively and interesting way with numerous examples and case studies.
