With contributions from a stellar panel of student services experts, *Student Academic Services* is a comprehensive resource that addresses the intricacies of today's academy and provides a hands-on guide to the expanded and complex functions of today's student academic services. This helpful book offers an in-depth examination of the most effective models, current practices, and trends in student services. The authors explore highly integrated student academic services practices from various campuses that reflect a holistic, interdependent approach to assessing and addressing the needs of students, and they offer a selection of effective management tools for assessment, evaluation, and continuous improvement. *Student Academic Services* includes a wealth of information on a wide variety of topics such as

- Advances in information technology to make services available
- A model for a comprehensive, integrated career services unit
- A systematic and strategic view of academic advising
- The creation of accurate, secure, and accessible academic records
- The growth of financial aid and scholarship services
- The challenges of helping a diverse student body achieve success
- Integration of online student academic services
• Management of change in student academic services

• Future trends in student services

ABOUT THE AUTHOR

Gary L. Kramer is associate dean of student academic and advisement services and professor in the Counseling Psychology Department at Brigham Young University. He formerly served as president of the National Academic Advising Association and won the Virginia Gordon Award for Excellence in Advising in 1994.
