DESCRIPTION

In this updated landmark book, the authors have gathered the seminal work and most current thinking on adult learning into one volume. *Learning in Adulthood* addresses a wide range of topics including: Who are adult learners? How do adults learn? Why are adults involved in learning activities? How does the social context shape the learning that adults are engaged in? How does aging affect learning ability?

ABOUT THE AUTHOR

THE AUTHORS

**Sharan B. Merriam** is professor of adult education at the University of Georgia. Merriam's research and writing activities have focused on the foundations of adult education, adult learning, adult development, and qualitative research methods. She has won the Cyril O. Houle Award for Outstanding Literature in Adult Education for three books, including one for *Learning in Adulthood*.
