**DESCRIPTION**

AAEV'T's Equine Manual for Veterinary Technicians offers a compendium of information on the care and treatment of horses for equine veterinary technicians. Highly accessible and easy to use, the book builds on the basics of equine care to provide a complete reference for equine nursing and technical skills. AAEVT's Equine Manual for Veterinary Technicians is an invaluable guide for qualified equine veterinary technicians and assistants, particularly those earning their equine certification, vet tech students, and equine practices.

**ABOUT THE AUTHOR**

Deborah Reeder, RVT is the executive director of the American Association of Equine Veterinary Technicians.
