- Blends theory and practice
- Provides access to the highest quality information on investment analysis and portfolio management

With *Investments: Analysis and Portfolio Management Workbook*, busy professionals can reinforce what they've learned in reading *Investments*, while doing so at their own pace.

ABOUT THE AUTHOR

MICHAEL G. M CMILLAN, CFA, is Director of Ethics and Professional Standards in the Education Division of CFA Institute. Dr. McMillan joined CFA Institute in 2008 after more than a decade as a professor of accounting and finance at Johns Hopkins University's Carey School of Business and The George Washington University's School of Business. He has a doctorate in accounting and finance from The George Washington University, an MBA from Stanford University, and a BA from the University of Pennsylvania. Dr. McMillan is a member of the CFA Society of Washington, D.C., and the East African Society of Investment Professionals.

JERALD E. PINTO, CFA, is Director of Curriculum Projects in the Education Division of CFA Institute. Before coming to CFA Institute in 2002, he consulted to corporations, foundations, and partnerships in investment planning, portfolio analysis, and quantitative analysis. He has also worked in the investment and banking industries in New York City and taught finance at New York University's Stern School of Business. He holds an MBA from Baruch College, a PhD in finance from the Stern School, and earned his CFA charter in 1992.

WENDY L. PIRIE, CFA, is Director of Curriculum Projects in the Education Division of CFA Institute. Prior to joining CFA Institute in 2008, she taught finance, accounting, statistics, taxation, business law, and marketing for over twenty years at both large and small, public and private universities, religious colleges, and military academies. Her work has been published in the *Journal of Financial Research* and *Journal of Economics and Finance*. She holds a PhD from Queen's University at Kingston and MBAs from the Universities of Toronto and Calgary.

GERHARD VAN DE VENTER, CFA, is Deputy Head of the School of Finance and Economics at University of Technology, Sydney. He was previously Director of Curriculum Projects in the Education Division of CFA Institute. He began his career in South Africa as a financial analyst and later as a dealer on the Bond Exchange, where he traded fixed income securities. He holds a PhD in finance from the University of Technology, Sydney. He is a member of CFA Institute and the New York Society of Security Analysts.
