#### **The guide that proves your meetings don't have to suck!**

There's a big dull elephant in the boardroom: this meeting! Most of the millions of meetings held in the world today are a monumental waste of time and talent. Worse still, most of the so-called solutions and books for boring meetings are twice as boring.

Boring Meetings Suck provides tips and tactics to deliver "Get-In, Get-It-Done, or Get-Out" style meetings, while also tackling what most prefer to avoid; that you don't have to BE in charge of a meeting to TAKE charge of a meeting. This entertaining and take-no-prisoners guide is full of easily deployed SRDs?Suckification Reduction Devices?that will help you make your next meeting both efficient and effective.

- Empowers attendees to politely speak up and get a meeting back on track, or graciously get out, without being fired
- Shows how hosts can capitalize on technology, learning to crowd-source problems and increase participation
- Defines surefire methods to get meetings to start and end on time and not have the speaker read the slides
- STOPS over-invitation syndrome
- The author has appeared before many major corporate clients, and was named a "Top Business Professional Under 40" by American City Business Journals
