DESCRIPTION

Praise for Developing and Enhancing Teamwork in Organizations

"Few questions are more vital and important than teamwork, in an increasingly interdependent and connected world. This volume is a unique and essential reference for managers, scholars and anyone interested in enhancing team performance. The combination of vivid real-world examples with thoughtful evidence-based frameworks will make a lasting contribution to the study and practice of team-based management."

# John Boudreau, Professor of Management and Organization, USC Marshall School of Business

"Excellent practice insights from leading practitioners and academics. A valuable contribution to our knowledge concerning how to create and manage teams."

#Ed Lawler, Director of Center for Effective Organizations
ABOUT THE AUTHOR

**Eduardo Salas,** PhD, is trustee chair and Pegasus professor of psychology at the University of Central Florida where he also holds an appointment as program director for the Human Systems Integration Research Department at the Institute for Simulation and Training.

**Scott I. Tannenbaum,** PhD, is president and cofounder of the Group for Organizational Effectiveness. He has provided advice, tools, and training to many organizations, including Fortune 100 companies and numerous government and military organizations.
