DESCRIPTION

Wiley-Blackwell's Clinical Cases series is designed to recognize the centrality of clinical cases to the profession by providing actual cases with an academic backbone. *Clinical Cases in Orthodontics* applies both theory and practice to real-life orthodontic cases in a clinically relevant format. This unique approach supports the new trend in case-based and problem-based learning, thoroughly covering topics ranging from Class I malocclusions to orthognathic surgery. Highly illustrated in full color, *Clinical Cases in Orthodontics* format fosters independent learning and prepares the reader for case-based examinations.

ABOUT THE AUTHOR

Martyn T. Cobourne is the author of *Clinical Cases in Orthodontics*, published by Wiley.

Padhraig S. Fleming is Senior Clinical Lecturer and Consultant Orthodontist at Barts and The London School of Medicine and Dentistry, Queen Mary University of London, UK. He is an Associate Editor of the *American Journal of Orthodontics and Dentofacial Orthopedics* and the *Journal of Dentistry* and a co-author of *Clinical Cases in Orthodontics* (Wiley-Blackwell, 2012). Padhraig was awarded the Dewel Prize by the American Association of Orthodontists in 2011. He has been involved in numerous clinical trials investigating the relative merits of a range of orthodontic appliances and techniques.

Andrew T. DiBiase is the author of *Clinical Cases in Orthodontics*, published by Wiley.
