DESCRIPTION

Family Problems: Stress, Risk, and Resilience presents an interdisciplinary collection of original essays that push the boundaries of family science to reflect the increasingly diverse complexity of family concerns in the modern world.

- Represents the most up-to-date family problem research while addressing such contemporary issues as parental incarceration, same sex marriage, health care disparities, and welfare reform
- Features brief chapter introductions that provide context and direction to guide the student to the heart of what’s important in the piece that follows
- Includes critical thinking questions to enhance the utility of the book for classroom use
- Responds to family problem issues through the lens of a social justice perspective

ABOUT THE AUTHOR

Joyce A. Arditti is Professor of Human Development at Virginia Polytechnic Institute and State University. She is the author of Parental Incarceration and the Family: Psychological and Social Effects of Imprisonment on Children, Parents, and Caregivers (2012).
