DESCRIPTION

An essential text for the aspiring student paramedic, *Fundamentals of Paramedic Practice* makes paramedic science and pre-hospital care accessible, straightforward and exciting. It assumes no prior knowledge of the subject, presenting the must-have information that students need about both the theory and practice of what it means to be a paramedic. With extensive full-colour illustrations throughout, as well as activities and scenarios, this user-friendly textbook will support paramedic students throughout their course.

ABOUT THE AUTHOR

ABOUT THE EDITORS

Sam Willis is Lecturer in Paramedic Sciences at the University of Tasmania, Sydney, Australia.

Roger Dalrymple is Principal Lecturer for the Professional Education and Leadership Programmes at Oxford Brookes University, Oxford, UK.
FEATURES

• In the Wiley ‘Fundamentals’ series: a collection of full-colour, student-friendly, accessible textbooks aimed specifically at the student market

• An accessible, straightforward introduction to the subject, providing the essentials that every student needs to know

• Cheaper, less unwieldy and less daunting than many of the existing texts on the market

• Explores both the theory and the practice of the subject

• Full colour text design and full colour artwork and illustrations throughout

• Fully interactive, with an activity section at the end of each chapter, featuring multiple choice questions, diagram labelling, test your learning questions, crosswords, and ‘find out more’, enabling the student to fully engage with the content of each chapter.

• Clinical considerations and scenarios throughout showing how the material can be applied to daily practice

• Supported by an online resource centre featuring interactive multiple choice questions, additional scenarios and activities, and links to further reading

• Explores key themes within the College of Paramedic (CoP) curriculum development document (2008), the Health Professions Council (HPC) Standards of Education and Training (SETs) and the Quality Assurance Agency (QAA) benchmark statements for paramedic programmes.
