Great Myths of Aging
Joan T. Erber, Lenore T. Szuchman

DESCRIPTION

Great Myths of Aging looks at the generalizations and stereotypes associated with older people and, with a blend of humor and cutting-edge research, dispels those common myths.

• Reader-friendly structure breaks myths down into categories such as Body, Mind, and Living Contexts; and looks at myths from “Older people lose interest in sex” to “Older people are stingy”
• Explains the origins of myths and misconceptions about aging
• Looks at the unfortunate consequences of anti-aging stereotypes for both the reader and older adults in society

ABOUT THE AUTHOR
