DESCRIPTION

"Behavior after a breakout" defines the true trading opportunity for intra-day traders, Cooper claims. Now, this concept absolutely comes alive as Jeff Cooper-celebrated Hit and Run author and editor of "Jeff Cooper's Daily Market Report" at www.minyanville.com gives you a rare peak into his personal arsenal of chart patterns and trading techniques set for the short-term markets. With this comprehensive book and DVD collection, you'll learn to spot when price, time, and behavior are working in sync to deliver superior intra-day trading potential-and profits! And you'll better understand why unexpected turns in price signal exceptional opportunities for fast-acting traders.

There for your personal viewing and outlined in thorough detail is how to find, spot, and seize huge opportunities. These are the types of profound opportunities that others simply don't have the skills to react to. Plus, discover how to:

• Read 10-minute and 1-hour charts for intra-day analysis.

• Use short-term pattern recognition to plan your next move

• Be one of the few who can "anticipate the anticipators" for real trading advantage

• Exploit trend behavior-to get in on the best, fast-moving set-ups.
