## DESCRIPTION

**Stop making a living and start making a life with *The New Retirementality***

When Mitch Anthony first presented the concept of a new way of thinking about retirement in 2000, it was novel and many critics didn't buy into it. Originally written to get the attention of baby boomers who were approaching 55, Mitch started a revolution by showing people why they needed to have a new attitude about retirement—a "new retirementality." More than a decade later, most of us are facing a very different retirement reality than previous generations—failing pensions, an endangered social security system, and inadequate savings. We have been forced to face the reality of a retirement that may never happen, or one that will take place much later in life than ever expected.

Circumstances are redefining what it means to retire, and *The New Retirementality, Fourth Edition* is your roadmap. While most books focus on a "number," this reliable resource shows you that attitude is also an essential part of the equation—if you want to succeed you need both means and meaning.

- Includes new research and studies on the latest retirement realities, as well as introduce readers to Mitch's newest concept, investing toward a greater Return on Life™

- Discusses what it means to retire on purpose, the expanding role of work in retirement, and how to self-direct your future by becoming your own benefits director

- Written by top financial planner Mitch Anthony
Filled with engaging anecdotes and inspirational suggestions, this book will motivate you to rethink the meaning of retirement and put you in a better position to enjoy the new retirementality you deserve.

⚠️ ABOUT THE AUTHOR

MITCH ANTHONY is the founder and president of mitchanthony.com, a consulting firm that works with financial services organizations to promote transparency between advisors and their clients. He is a popular speaker and host of The Daily Dose, a radio program heard on stations nationwide. A go-to source for the media, Anthony has been quoted in The Wall Street Journal, Kiplinger's Personal Finance, and The New York Times. His RetireMentors column appears regularly on CBS Marketwatch.com. Anthony is the recipient of Financial Planning magazine's "Mover & Shaker" award for his pioneering work in retirement and financial life planning.
