Managing the Unexpected: Sustained Performance in a Complex World, 3rd Edition

Karl E. Weick, Kathleen M. Sutcliffe

Hardcover ISBN: 978-1-118-86241-4 September 2015 $29.95

DESCRIPTION

Improve your company's ability to avoid or manage crises

Managing the Unexpected, Third Edition is a thoroughly revised text that offers an updated look at the groundbreaking ideas explored in the first and second editions. Revised to reflect events emblematic of the unique challenges that organizations have faced in recent years, including bank failures, intelligence failures, quality failures, and other organizational misfortunes, often sparked by organizational actions, this critical book focuses on why some organizations are better able to sustain high performance in the face of unanticipated change. High reliability organizations (HROs), including commercial aviation, emergency rooms, aircraft carrier flight operations, and firefighting units, are looked to as models of exceptional organizational preparedness. This essential text explains the development of unexpected events and guides you in improving your organization for more reliable performance.

"Expect the unexpected" is a popular mantra for a reason: it's rooted in experience. Since the dawn of civilization, organizations have been rocked by natural disasters, civil unrest, international conflict, and other unexpected crises that impact their ability to function. Understanding how to maintain function when catastrophe strikes is key to keeping your organization afloat.

- Explore the many different kinds of unexpected events that your organization may face
- Consider updated case studies and research
- Discuss how highly reliable organizations are able to maintain control during unexpected events
- Discover tactics that may bolster your organization's ability to face the unexpected with confidence
Managing the Unexpected, Third Edition offers updated, valuable content to professionals who want to strengthen the preparedness of their organizations—and confidently face unexpected challenges.

ABOUT THE AUTHOR

KARL E. WEICK is the Rensis Likert Distinguished University Professor Emeritus of Organizational Behavior and Psychology at the University of Michigan. Weick received the Irwin Award and Best Article of the Year award from the Academy of Management. Fast Company's Senior Editor Keith Hammonds calls Weick "the smartest business thinker that you've never heard of."
