DESCRIPTION

McKinsey's trusted guide to teaching corporate valuation, now in its 25th year

Valuation, University Edition, Sixth Edition, is filled with the expert guidance from McKinsey & Company that students and professors have come to rely on. New to the fully revised and updated Sixth Edition:

- New case studies that clearly illustrate how vital valuation techniques and principles are applied in real-world situations
- Expanded content on advanced valuation techniques
- New content on the strategic advantages of value-based management that reflect the economic events of the past decade

For twenty-five years Valuation has remained true to its core principles and offers a step-by-step approach to valuation, including:

- Analyzing historical performance
- Forecasting performance
- Estimating the cost of capital with practical tips
- Interpreting the results of a valuation in light of a company's competitive situation
- Linking a company's valuation multiples to the core drivers of its performance
The *University Edition* contains End-of-Chapter Review Questions, helping students master key concepts from each chapter.

Wiley also offers an Online Instructor's Manual with a full suite of learning resources for professors and students.
