Breaking Negative Thinking Patterns is the first schema-mode focused resource guide aimed at schema therapy patients and self-help readers seeking to understand and overcome negative patterns of thinking and behaviour.

- Represents the first resource for general readers on the mode approach to schema therapy
- Features a wealth of case studies that serve to clarify schemas and modes and illustrate techniques for overcoming dysfunctional modes and behavior patterns
- Offers a series of exercises that readers can immediately apply to real-world challenges and emotional problems as well as the complex difficulties typically tackled with schema therapy
- Includes original illustrations that demonstrate the modes and approaches in action, along with 20 self-help mode materials which are also available online
- Written by authors closely associated with the development of schema therapy and the schema mode approach
ABOUT THE AUTHOR

Gitta Jacob is a Clinical Psychologist and Schema Therapist at GAIA, a therapy development and research company in Hamburg, Germany. A founding board member of the International Society for Schema Therapy (ISST), Dr. Jacob is also co-author of *Schema Therapy in Practice: An Introductory Guide to the Schema Mode Approach* (2012).
