The only book for students which explores the connection between emotional intelligence and effective leadership

*Emotionally Intelligent Leadership: A Guide for Students* is based on a conceptual model that helps students to become emotionally intelligent leaders. Research from around the world has demonstrated that there is a relationship between emotional intelligence and leadership. For the second edition of *Emotionally Intelligent Leadership*, the authors have incorporated their revised, data-based emotionally intelligent leadership (EIL) model into an engaging text for high school, undergraduate, and graduate students.

The book can be used in conjunction with the *Emotionally Intelligent Leadership for Students Inventory* and *Student Workbook* for an immersive and transformative educational experience. Students will appreciate the opportunity to learn more about themselves as they reflect on their experiences as learners and their own leadership journeys.

- The new edition is substantially rewritten based new research on the EIL model
- Its clear structure is organized around the three facets of emotionally intelligent leadership and 19 leadership capacities
- Questions at the end of each chapter encourage purposeful reflection and leadership growth

*Emotionally Intelligent Leadership* is one of a kind, fostering growth and promoting intense self-reflection. Students are empowered to enhance the campus experience and develop into effective leaders of the future. *Emotionally Intelligent Leadership* is the perfect introduction to leading with emotional intelligence.
