Treatment of High-Risk Sexual Offenders: An Integrated Approach
Jeffrey Abracen, Jan Looman

DESCRIPTION

Treatment of High-Risk Sexual Offenders addresses concrete management strategies, from initial intake to community treatment programs, and describes a detailed program for high risk offenders which has been developed, tested and refined for over 15 years.

- Provides a thorough review of contemporary theory and research relating to complex, challenging populations, and translates it into a comprehensive system of assessment and treatment for high risk sexual offenders

- Offers detailed coverage of setting and staff requirements, the importance of the therapeutic alliance, and how to balance individual therapy with group components in order to develop social and self-management skills

- Builds on the principle of integrative care, drawing on the established Risk-Need-Responsivity (RNR) model for offender assessment and rehabilitation but adding new components of CBT and motivational interviewing

- Includes a complete assessment battery and strategies for managing serious mental illness and comorbidity
