It'll give you a firmer grasp of the essential trading rules and skills. This *Study Guide*, based on the bestselling trading book of all time, was created by its author to help you master the key points of his classic book.

The *Study Guide's* 170 multiple-choice questions are divided into 11 chapters, each with its own rating scale. Each question is linked to a specific chapter in the main book, while the Answers section functions like a mini-textbook.
