Inflammatory Bowel Diseases: A Clinician's Guide
Ashwin N. Ananthakrishnan, Ramnik J. Xavier, Daniel K. Podolsky

DESCRIPTION

Inflammatory Bowel Diseases: A Clinician’s Guide provides practical guidance for the diagnosis and management of those suspected or known to have one of the forms of these complex diseases. It is perfect both for gastroenterology trainees learning to care for these patients and the experienced physician as a concise and practical resource for day to day use.

Written by the experts, Inflammatory Bowel Diseases: A Clinician’s Guide is an essential tool for all gastroenterologists managing patients with inflammatory bowel disease.
