DESCRIPTION

Blackwell’s Five-Minute Veterinary Consult Clinical Companion: Small Animal Endocrinology and Reproduction is a highly practical, clinically oriented guide to endocrine and reproductive disorders in small animals, ideally formatted for fast access in the veterinary practice.

• Provides a complete yet practical clinical manual on endocrine and reproductive problems in small animals

• Draws on the endocrinology and theriogenology sections of Blackwell’s Five-Minute Veterinary Consult: Canine and Feline, supplying a greater depth of information in a similar quick-reference format

• Presents expanded information, additional topics, and color images throughout

• Arranged alphabetically for easy searching and reference

• Includes access to a companion website with client handouts in Word, which can be downloaded, edited, and used in practice
